

Troy Lions Club Homecoming Stand Rules for 2016

Thursday, Friday and Saturday 2016 Lions Homecoming stand rules and prices:

=====

2016 Troy Lions Club Homecoming is a year of exciting changes. We are shifting entertainment, amusement rides, food and grass roots stands to the east, near the Wiesemeyer Center (parking lot, ball diamond, and street). Stands will still be located on Wickliffe. To make sure your group is accommodated, it is critically important that you work with John Myers about the best placement for your stand(s).

We are providing new entertainment groups and new amusement rides, a different look to the beer stand and more food selections for our festival-goers. The bands have told us to prepare for a significantly larger crowd than we've enjoyed in the past, which means more customers for you. Watch for more information as plans are finalized.

The Grass Roots Stand form includes a “Referred By” line. If you know of a vendor or a group, that did not have a stand at the 2015 Troy Homecoming, tell them what a great event it is, and encourage them to be a part of it. When they decide to join us, have them put your name (the same name you used to reserve your 2016 Homecoming Stand) on the “Referred By” line. When they send in their non-refundable stand fee, you have earned 25% of their stand fee – regardless of the type of stand they have. At the conclusion of the Homecoming, we will send you a check for all the rebates you have earned from your referrals.
