

Dear Parent(s) of Troy Soccer Club participants,

The Troy Soccer Club is implementing a new policy going forward, which requires your attention and acknowledgement. We have created this policy with the best interest of the children, their families and all of our volunteers throughout the Troy Soccer Club and recreation league. This new policy will cover rules that all players and their family members will agree to and abide by, prior to entering into this recreation league.

The policy is as follows:

- 1) If any family member and/or player becomes verbally or physically confrontational with a soccer board member, referee, coach/player or any other Troy Soccer club affiliate, the Troy Soccer Club reserves the right to politely ask that the individual and their player/child to exit the park upon notice. This policy also covers any inappropriate profanity or related behavior that is uncalled for and not suitable for our recreation league.

Thank you for your consideration and willingness to abide by our policy as we very much look forward to having you and your child involved in the Troy Soccer Club Fall League. If you have any questions or concerns as it relates to these policies or related matters, please feel free to contact any of our board members by visiting www.tritownshipark.org/index.php?pagekey=soccer or, as always, you are more than welcome to volunteer your time and participate in a number of fashions.

By signing below, I acknowledge, on behalf of my entire family, and agree to the policies above. I also acknowledge that if necessary, this form may be recalled and presented at the time of any unfortunate situations that any of my family members are involved in. Lastly, I will respect the decision of the Troy Park, the Troy Soccer Club, the Troy Athletic commission or any appropriate affiliates as it pertains to these new policies.
